March 2006

Hello!

I am writing on behalf of the Chicago Celtic Youth Gaelic Football Club. The club provides Gaelic Football instruction and competition for girls and boys six years of age and up from the northwest side of Chicago and the surrounding suburbs, including Arlington Heights, Park Ridge, Morton Grove, Palatine, Schaumburg and Elmhurst to name a few. We are a not-for-profit organization with over 175 children participating, and this number continues to increase each year.

We are approaching our Second Annual Candlelight Bowl to be held on Saturday, April 22, 2006 at Mont Clare Lanes, 2957 North Harlem Avenue in Elmwood Park, Illinois. As this is a very important fundraising event for our club, we are looking for items to be used as prizes for a raffle and silent auction.

Another option you may consider would be lane sponsorship with a donation of \$100. All sponsors will have their company name and logo printed prominently on the back of the 2nd Annual Candlelight Bowl T-shirt. Your company's name and logo will also be displayed on a banner at the Candlelight Bowl. We will also publish a list of every sponsor on the club's website: www.chicagocelticyouth.com.

We realize that you receive a large number of similar requests, and all of them are deserving. However, the beneficiaries of your contribution will be young people seeking the positive influences offered by quality team sports. We believe this goal to be a worthy one and would appreciate every consideration in this particular request. Please send donations to Sheila Barker at the above address by Friday, April 7, 2006. If you have any questions, please contact Candlelight Bowl Chairs, Sheila Barker at 847.825.1864 or Norb Kosinski at 847.823.8726.

Thank you in advance for you generosity,

Chicago Celtic Youth Gaelic Football Club Candlelight Bowl Committee
